Cub Scout Day Camp is a week of fun, exciting program activities and adventure at a location close to home. Day Camp is an introductory outdoor program for Tigers, Cub Scouts and Webelos with little camping experience.

Our summer theme, The Wild West, allows us to create and deliver a program that inspires challenge, creativity, adventure, and learning. Most Day Camps are five day sessions offered across the council.

Scouts and units can attend any camp that they choose provided they have adult leadership. They are also welcome to attend more than one day camp.

If you are not ready for the resident experience of Cub Adventures at Musser Scout Reservation or are looking for a second summer activity, Day Camp is for you!

Registration cost includes all crafts and activities, a Day Camp shirt and a patch. Lunches are not provided; please pack a lunch each day with your Scout's name on it. Siblings of Scouts may only attend if they are children of the volunteer camp staff.
